

End of Sale Notice

Notification Date: 13th April 2022

Subject: RTLS Tags

Region: All

Summary

As part of our on-going product lifecycle management and due to some discontinuations of product components and global supply chain issues Extronics will no longer sell the tags and accessories listed below.

End of Sale

End of sale is the date in which:

- Extronics will no longer sell products or related accessories.
- Extronics will continue to offer tag refurbishments on the iTAG100 products until the end of life.

Extronics would like to offer the following last time buy opportunity for the products listed below. Limited quantities may apply to some SKU's.

A full list of products and accessories can be provided on request.

Product range	End of sale date	Alternative
iTAG100, T2	31 st May 2022	The Extronics iTAGX10 or iTAGX20. Alternatively contact Extronics for refurbishment options.
T2EB	31 st December 2022	T2s
T3	31 st December 2022	No replacement
T3i	31 st December 2022	Contact Extronics
T12	31 st December 2022	T12s

End of Support

End of support is the date in which:

- Extronics will no longer accept returns for repair
- Extronics will only provide basic troubleshooting operational support

Support for the products listed below will continue until the effective date after which they will be transitioned to End of Support status.

Product range	Effective date
iTAG100	31 st May 2023
T2EB	31 st December 2023
T3	31 st December 2023
T3i	31 st December 2023
T12	31 st December 2023

End of Life

End of life is the date in which:

- Tags may have limited or no compatibility with MobileView versions released after the End-of-Life date.

The products will be set to End of Life status as per the effective date listed below.

Product range	Effective date
iTAG100	31 st March 2024
T2EB	31 st December 2025
T3	31 st December 2025
T3i	31 st December 2025
T12	31 st December 2025

Replacement batteries for tags will be available until the product goes end of life.

If you have any questions related to this notification, please contact your local business development manager or info@extronics.com

Kind regards,

Becky Reeves
Product Manager.
